SUMMARY OF 2024 SERVICE FEES

Overview

This document lists all service fees to be charged by the City of Aurora in 2024. The fees listed are limited to service fees and do not include other fees set by ordinance, such as water rates, with two exceptions: the Capital Impact Fees and the Parks Development Fee. These fees are set by code but are included in this publication for ease of communicating changes. These fees will be in effect beginning January 1, 2024.
