² New connections platted before January 1, 2019 may be subject to a credit for Sewer interceptor or Stormwater development fees paid.
³ Commercial Water Connection fees for meters 2-inches and greater are based on the estimated daily volume of water and assessed at \$63.82 per gallon/per day for connection and water transmission development fee. Consumption beyond initial allocation may be addressed through monthly bill or payment of additional connection fees. Commercial sanitary sewer fees 6 inches or greater are determined on an individual basis. Commercial landscaped area is subject to irrigation connection fee.

Landscape Type	Water Service Connection Fee
Non-water Conserving	\$3.05 per square foot of landscaped area
Water Conserving	\$1.63 per square foot of landscaped area
Z-Zone	\$0.00 per sq. ft./\$20,000 Deposit/Remove after 3 years

Z-Zone is a temporary water option for irrigation only that allows for establishment of low-water plant material. Contact Water Conservation at 303.739.7195 for details.

Regardless of assessment, all fees are due at the rate in effect at the time of payment. Contact the TAP Application Office at 303.739.7393 or 303.739.7395 if you have questions regarding fees for a particular project.
