City of Aurora
Lobbyist Expenditure Reporting Adjustment

Effective Date: April 1, 2024

Pursuant to Aurora City Code Section 2-954, the following adjustments have been made to the quarterly financial reporting requirements.

Amendment to ACC Sec. 2-954:

(3)(a) An itemized list and the estimated value of any gift, entertainment, or direct expenditure equal to or in excess of ~~\$75.00~~ **\$89.00** to, on behalf of, or benefitting the covered official for lobbying purposes, including, but not limited to: monies, tickets, gratuities, expressed agreements, or any tangible thing of value of any amount;

Sec. 2-954 – Quarterly Financial Report	New Expenditure Limit
(3)(a) Expenditure reporting requirement benefitting a covered official	<u>\$89.00</u>

Basis and Purpose

ACC Sec. 2-954(3)(a)(1) requires the \$75.00 amount set forth in subsection [\(c\)\(3\)\(a\)](#) to be adjusted by an amount based upon the percentage change over a four-year period in the U.S. Bureau of Labor Statistics Consumer Price Index for Denver-Boulder-Greeley, all items, all consumers, or its successor index, rounded to the nearest lower dollar. The first adjustment shall be made in the first quarter of 2024 and then every four years thereafter.

- Formula: (Current limit) x (Four-year percentage change in CPI) = Amount of increase
