The Aurora Youth Expo is a response of the community to youth violence, offering youth and their families life-changing positive and productive opportunities. We want this event to be the spark to a long term solution. Please take the time to answer these pre-event questions. You will receive post-event questions so we can measure outcomes.

<p>How many resources, internships, jobs, and other opportunities do you have to offer at the Aurora Youth Expo? Please be specific (<i>e.g., 3 lifeguard jobs, 12 free karate classes, 100 free resources bags for families about summer school, etc.</i>)</p>	
<p>How are these opportunities beneficial to youth and/or families in keeping youth safe this summer?</p>	
<p>How long will these opportunities engage each youth and/or their family?</p>	
<p>Is there a possibility for continuous engagement with youth and families after the event? Please Explain.</p>	

During the event, please keep track of the contacts, opportunities, resources etc. that your organization offered. We will ask you this in the post-event survey.
