

Supplemental documents ARE NOT required at the time of application. You will receive an e-mail notification with the deadline for submitting documents if you are invited to further testing.

- A state, or municipality-issued original Birth Certificate, Passport of the United States of America, or evidence of Naturalization.
- A state or municipality-issued original Birth Certificate, Passport of the United States of America, or evidence of Naturalization.
- A copy of High School Diploma, GED Certificate, or successful completion letter from an accredited school's Principal or District Superintendent, or other documentation approved by the Commission. Candidates who have completed any credit hours from an accredited college/university **must** also provide a copy of college transcripts from all post-secondary schools attended along with any of the accepted documentation above when requested by the Commission. **NOTE:** If home-schooled, documentation must meet the standards of the state of matriculation. If the home-schooled candidate has been accepted in any accredited post-secondary institution, it will be determined that they have met all of the above education requirements.
- Copy of DD214(s), copy 4 (prior military only). Current military members must provide a letter from their commander or personnel office stating their anticipated date of separation (DOS) and that their service up to now has been honorable.
- Eligibility letter from the Veterans Administration with disability award or copy of orders or certificate awarding the Purple Heart if claiming a service-incurred disability.
