

City of Aurora Cultural Services Music Camps Summer 2024

Early music literacy develops regions of the brain that go on to process complex math and science, not to mention the positive effects of music learning on language development and problem solving. Cultural Service's Preschool camps are a fun way for young children to begin their musical education. Central Library - Cultural Services Studio.

Piano Boot Camp Ages 5-8

Students will learn piano keyboard geography, the music alphabet, finger numbers, rhythmic notation, the staves, Middle C, C-Major Scale. Students will apply those concepts using short solo songs & duets. There will be games, composition & lots of fun!
