## Performing Group A- 2019-2020

The following people have been chosen to be a part of the ADA 2019-2020 Performing Group A. Thank you to everyone that auditioned. We are very proud of all of you for your efforts! For those that have been chosen, please remember that you will need to call the Dance Office by Wednesday, August 28, to accept your spot in this year's Performing Group.

The rehearsal schedule is still being developed for the Fall Season, and you will be contacted by Dance Director, Ms. Maggie Chapman, regarding any rehearsals that will most likely be planned and scheduled for September through early December 2019 (TBD).

**\*Please also remember that all students involved in Performing Group are required to take at a minimum: one ballet, one jazz or lyrical/contemporary, and one tap class per week in the ADA Continuous Children's Dance Program. Other styles that are highly encouraged are: additional ballet classes, pointe, lyrical, contemporary and hip hop.**

**\*\*Dancers cast as apprentices to Performing Group A will be given the opportunity to build up their experience/technique level to prepare for the demands of this group. They will rehearse with the PG A as understudies and will dance in at least one piece per season (Fall/Holiday and Winter/Spring) with the group.**
