***PLEASE NOTE - We will most likely be adding some more rehearsals in May and June with other choreographers to add to your choreographic repertoire and prepare for Recital. But that aspect of the schedule is still being developed. So far, I have only officially booked the April 15 performance at the City of Aurora Employee Awards with the 1920’s Flash Mob and of course, Recital with my 1920’s piece! But it is definitely next on my agenda once I get through a bunch more important scheduling for the entire ADA program to work on booking you more performances in April, May, June, July and beyond! Thank you, as always, for being flexible and willing to work with and commit to our tricky Performing Group Schedule!**
